May I come in early to set up the rental space?
No. Your rental starts and ends at your scheduled times. To ensure you have enough time to decorate, set up tables and chairs, etc. we suggest renting it for additional time before the event begins. Early arrivals and late departures will result in a penalty. Renters who start earlier than the contract specifies, or stay later, will be charged double the rental rate for the time not included in the contract.

Do I need to clean up after my rental?
Yes, the facility must be left in the same condition it was in before your event. Decorations must be removed, tables wiped, taken down and stored, floors swept, countertops wiped and the trash picked up and deposited in the dumpsters. Clean up time must be included in your rental time. For a complete list of cleanup requirements, see the Rental Information and Policy document. If Center staff time is needed to clean up after the event, the cost of that will be deducted from the damage deposit.

What is included in the cleanup package?
If available and if reserved a month in advance, the $150 cleanup package includes all trash pickup, cleaning of floors and tables folded and stored. The renter is responsible for removing all decorations, clearing the tables and removing all personal belongings. Guests must be out of the facility by the scheduled end time, so staff can start cleaning.

What is the penalty for staying later than the rental time specified in the contract?
All renters staying beyond the specified rental time, or arriving before it, will be charged double the rental rate for the space, for the hours they are present beyond the time specified in the contract.
