Our Mission

At Mt. Si Senior Center, we believe every senior deserves to live with dignity, joy, and connection. As the heart of the Snoqualmie Valley, we provide a welcoming space where older adults find purpose, friendship, and the support they need to thrive. Your generosity fuels our mission, ensuring every senior has the opportunity to embrace life's next chapter with confidence and community.

Why We're Fundraising

Seniors are more than individuals—they are mentors, storytellers, and the bridge between generations. Supporting Mt. Si Senior Center means preserving these connections while addressing critical needs. With your help, we provide life-sustaining programs like nutritious meals, health and wellness support, transportation, and opportunities for learning, growth, and companionship. By giving, you're not just sustaining services; you're honoring the people who helped shape our community and creating a brighter future for all.

Impact Statement

Every gift you make has the power to transform lives. From the senior who relies on us for a hot meal and a warm smile to the community that benefits from their wisdom and involvement, your support ripples far beyond today. Together, we can turn aging into a vibrant journey filled with care and connection.
